

I have heard a great deal about you from your proud teachers and now I am very keen to meet you! I am delighted to be your Head of Year. Together with your Tutors, I am looking forward to you being part of the best year group Southam College has ever had!

As your Head of Year, I will monitor your achievements and behaviour. I am really looking forward to celebrating your successes with you and your Tutors and I will also be there to support you in case you have any problems. I firmly believe that Southam College has a fantastic caring and community feel that allows everyone to achieve.

I am looking forward to helping make your journey from Primary School to Southam College enjoyable and for you to be able to arrive in September full of excitement, energy and motivation to be the best **you** can be!

See you soon on Induction Day!

Mr MacGibbon, Head of Year 7
