

BW/RB
March 2019

Dear Parent/Carer,

Revision Planner

BBC Bitesize have produced a Revision Planner for GCSE students, which contains a revision wall chart, day-to-day revision planner (similar to the school planner) and sections of advice about revision, exam success and staying healthy. The planner allows students to plan and keep track of their revision and aims to help students improve the way they revise.

These revision planners can be purchased from school at the cost shown below, which includes a £4.94 discount on the recommended retail price. Within a month of ordering, they will be available to collect from my office in the Core.

Title	Classes	Cost
Bitesize GCSE Revision Planner	All Year 11 students	£4.05

If you would like your child to purchase a revision planner, please return the slip overleaf letter to the green box at Student Office and make payment via ParentPay. ParentPay will be open for orders to be placed until **Friday 15th March**. Students in receipt of Pupil Premium Funding can use their Pupil Premium to purchase these revision planners (please indicate below if this is the case).

Yours sincerely,

Mrs M Browne
Assistant Headteacher

Southam College Reply Slip – Revision Planner

Student Name: _____ Tutor Group: _____

I have made payment of £4.05 using ParentPay

I wish to use my Pupil Premium for the revision planner
